BATHYMETRIC FISHING MAP

STRAIT OF JUAN DE FUCA
PORT ANGELES

Base map information including bathymetry was compiled by the National Ocean Service (NOS). Bathymetry compiled from NOS and Canadian hydrographic survey data (see index), which comply with International Hydrographic Organization (IHO) Special Publication 44 accuracy standards or those used at the date of the survey. This information is not intended for navigational purposes.

Universal Transverse Mercator Grid: Zone 10, 10,000 Meter Ticks (+) are shown inside the coastline.

Offshore protraction survey data, printed in red compiled by the Minerals Management Service. Heavy lines indicate limits of MMS Outer Continental Shelf Official Protraction Diagram. The protractions on this map are not for Federal Leasing purposes. For such purposes refer to the OCS Official Protraction Diagram available from the Minerals Management Service.
